

BY APPOINTMENT TO
HER MAJESTY THE QUEEN OF DENMARK

GEORG JENSEN

ESTABLISHED 1904

Business Controller

Georg Jensen A/S is looking for a Business Controller to be part of our Global Finance department located at our headquarter (HQ) at Frederiksberg. The Global Finance department comprises Accounting, Corporate Controlling within Business and Financial Controlling, Group Treasury, FP&A and Financial Data Management. The Business Controller team of three support Commercial Business and Supply Chain & Production.

In 2017 and the coming years, Georg Jensen pursue the target and planned activities defined in our 2020 Strategy. The criteria for success in this position is to ensure that the group meets the set targets by supporting our stakeholders in HQ and in our subsidiaries with timely, accurate and relevant analysis with ongoing sparring.

We offer a challenging position in an international company, where you will have great opportunity to influence the development and the nature of the position as well as create value for colleagues and business partners worldwide.

Your responsibilities:

- Controlling - planning, preparation, execution and follow-up
- Define and follow up on KPI's in sales organization in HQ and in subsidiaries
- Define and follow up on KPI's in corporate functions
- Proactively perform analysis across group functions and entities and with reporting of conclusion to key stakeholders
- Part of team preparing monthly internal report with focus on controlling and reporting on own areas of responsibility
- Assist group process owners in preparing budget and estimates during the year
- Ongoing sparring and correspondence with stakeholders at HQ and subsidiaries
- Support the group CFO with ad hoc analysis and other projects
- Other ad hoc task

The ideal candidate has the following competences:

- Experience from a similar position working in an international retail and/or external retail context

- Self-starter and hands-on type of person that strives for constant improvement and learning for oneself and the team
- Passionate about adding value to the business and understanding different needs of the business and our global key stakeholders
- Find motivation in team work
- Structured and responsible approach with a positive, flexible and “can-do” attitude
- Ability to work well under pressure and deliver results in collaboration with the team
- Fluent in English - strong communication skills in both written and oral
- Experienced in Excel and BI tools
