We offer a challenging position in an international company, where you will have great opportunity to influence the development and the nature of the position as well as create value for colleagues and business partners worldwide.

Your responsibilities:

- Assortment Architecture:
 - Assortment strategy
 - Gap analysis to define and express commercial needs
 - Create assortment plans and brief design-team on SS/FW collections based on commercial needs (product type, material, price pyramid)
 - Define products to be pruned
 - Manage master data structure
- Product Launches:
 - Manage line plans and development process
 - Create business case and prepare global pricing for new launches
 - Brief Marketing, PR Liaison and Sales Liaison on product launches
 - Define master data for new products
- Manage global pricing
- PM analysis and other ad hoc sales analysis
- Monitor and analyse competitors, trade and consumer trends
- Sales and market support (product related subjects)
- Foster open dialogue with markets to support local needs

The ideal candidate has the following competences:

- Fluent in English and Danish - strong communication skills
- Highly skilled MS Office user, especially Excel
- Familiar with Adobe Photoshop, In-design and preferably Axapta
- Ambitious, self-driven and service oriented

- Hands-on type of person that strives for constant improvement and learning for oneself and the team
- Passionate about adding value to the business and understanding different needs of the business and our global key stakeholders
- Structured and responsible approach with a positive, flexible and “can-do” attitude
- Commercial mind-set
- Ability to think innovatively and solution-oriented
- Ability to work well under pressure and deliver results in collaboration with the team

Your Profile

The ideal candidate has a minimum of 5 years of experience from a similar position, preferable from a similar industry. We expect the candidate to have a relevant education from CBS or similar. A strong interest in the Home industry is an advantage.
