## Supply Chain & Production Controller

Georg Jensen A/S is looking for a Supply Chain & Production Controller for our Global Finance department, Georg Jensen A/S headquarters (HQ) at Frederiksberg. You will be working in a team of three controllers with reference to our Head of Global Finance.

Production and design of our own products is a vital part of the Georg Jensen value chain with own production sites in Denmark and Thailand, as well as close cooperation with global external vendors. Controlling, supporting and cooperation with our global supply chain organisation is one of the key functions in Global Finance. We are looking for a Controller that can take our controlling and support to our COO and relevant key stakeholders in our global supply chain organization, to the next level.

To be our new Supply Chain & Production Controller requires great experience within both the Finance and the supply chain and/or production field and a detailed knowledge of relevant KPIs, analysis as well as a mind-set to support business and relevant stakeholders in the group, both in HQ and in subsidiaries.

We offer a challenging position in an international company, where you will have great opportunity to influence processes and create value for colleagues and business partners worldwide.

### Your responsibilities:

- Responsible for preparing and pulling together the Global Supply Chain's budget and estimates in close cooperation with the COO
- Controlling of Global Supply Chain's various departments and its P&L on a monthly basis versus the budget and the relevant estimates put in place
- Controlling of the groups inventory, in HQ and subsidiaries
- Controlling of cost price- and production variances for Production, Freight, Distribution and Sourcing/Purchasing
- Annual cost price update process, including setting criteria, calculation and controlling
- Implement relevant KPIs and the reporting on these
- Assist in preparation of the monthly internal report with focus on controlling and reporting on own areas of responsibility
- Ongoing sparing and correspondence with stakeholders at HQ and subsidiaries
- Primary Global Finance contact person for our global supply chain organisation
- Other ad hoc task

**The ideal candidate has the following competences:**

- Experience from a similar position working in an international production context
- Self-starter and hands-on type of person that strives for constant improvement and learning for oneself and the team
- Passionate for adding value to the business and understanding different needs of the business and our global key stakeholders
- Structured and responsible approach with a positive, flexible and "can-do" attitude
- Ability to work well under pressure and deliver results in collaboration with the team
- Fluent in English - strong communication skills in both written and oral
- Experienced in Excel and in using BI tools and being able to extract the relevant data from the companies various sources of data
