## Team Leader Global VM & Store Design

Would you like to be part of an international concept business with more than 100 years of history? Georg Jensen is a global company with a strong brand and a culture built on a deep and rich heritage of Scandinavian design and craftsmanship.

Georg Jensen A/S is looking for a Team Leader within our Global Visual Merchandising & Store Design team. You will be part of our Design & Merchandising Department placed at the headquarters in Frederiksberg. You will report to the Senior Vice President Design & Merchandising.

Are you an experienced Team Leader / Project Manager, who ensures great results and motivates the team to achieve the highest results? Can you ensure that the team follows up-to-date guidelines and processes that assist our markets to present the Georg Jensen universe in an inspiring and consistent way? Are you an organized and structured person, who can lead a creative team from concept to reality? Then you might be our next Team Leader. We offer a challenging position in an international company with a great opportunity to influence the development and the nature of the position as well as create value for colleagues and business partners worldwide.

### Your responsibilities:

- Managing the daily operations of the creative team to support the global VM and store design strategy
- Securing the necessary creative briefs so the team can execute projects
- First point of contact for the team & stakeholder management
- Planning, scheduling and delegating projects and resources to meet agreed deadlines
- Making sure that processes, calendars and frameworks are current and updated
- Coordinating with local VM teams to ensure guidelines are used and global visual brand standards are maintained
- Review and approve budgets for projects
- Vendor negotiation & direct contact with vendor network

The ideal candidate has the following competences:

- Excellent project and people management skills
- Proficiency in MS Office, Adobe PowerPoint and knowledge of In-design
- Strong visual presentation- and communication skills
- Ability to work cross-functionally within the organization HQ and with our global teams
- Ambitious and passionate about adding value to the business
- Hands-on type of person, who strives for constant improvement and has an analytical mind-set
- Structured and a responsible approach with a positive, flexible and "can-do" attitude
- Ability to think innovatively and solution-oriented
- Ability to work well under pressure and deliver results in collaboration with the team
- Fluent in English and Danish with strong communication skills
- Experience working with Luxury products and/or in creative environments

#### Your Profile:

The ideal candidate has 5-7 years' experience from a similar position, preferable from the same industry. We expect the candidate to have a relevant education within e.g. project management and/or business school.
