GEORG JENSEN

ESTABLISHED 1904

Dynamics AX Consultant / Supporter

For immediate hire, Georg Jensen A/S is looking for a Dynamics AX consultant/supporter with excellent business understanding to join our ERP team in the Global IT department based in our Headquarters in Frederiksberg, Denmark. You will be part of a dynamic team of 15 colleagues and have reference to the ERP Team Leader.

Your key responsibilities:

- To consult and support the organisation on existing processes, tools and systems, both local and abroad, within Axapta 3.0 and Microsoft Dynamics AX 2012 R3, in particular regarding Sales, Retail, Logistics, Production and Finance, including 1st and 2nd level support. The focus lies on AX 2012 R3, the primary system of Georg Jensen
- To handle user management, including creation and maintenance of users and user rights
- To participate in optimisation, documentation and adjustment of processes and procedures
- To be an active sparring partner to the process owners in Georg Jensen
- To participate in projects from the analysis and design phase, through development and test, to implementation, education and hand-over
- To act as project leader on smaller projects
- To be the link between our ERP suppliers and the internal organization

The ideal candidate has the following competences:

- A broad experience as internal or external Dynamics AX 2012 consultant, and it would be to your advantage, if you have experience within the Finance and Retail module. Knowledge of Dynamics 365 is also a plus
- All-round experience in using and supporting the use of Dynamics AX 2012
- High level Danish and English both spoken and written
- A well-developed understanding of business and finance
- Fundamental technical understanding

Your profile:

- Outgoing, extremely service minded and honor helping colleagues
- Strong, calm and thrive on having a busy and unpredictable workday
- Able to communicate on all levels of the organization

- Working independently and systematically, skilled in prioritising and a person who easily gets the larger view of things
- Manage internal and external customer satisfaction while maintaining a positive mindset and with overall value creation as the ultimate goal
